## **Tommy Hilfiger**

### **Assistant Store Manager**

TOMMY HILFIGER is one of the world's most recognized global lifestyle brands, confidently welcoming and inspiring consumers since 1985.

Irrespective of where our consumers eventually make a purchase, our stores, are always a window to our great brands. As a result, our locations are paramount, the first class experience must be a given and our in-store standards should never be questionable.

To deliver this, we strive to hire the individuals who live and breathe the values of our business, who are obsessed with delivering great service to our customers and who truly believe that to remain relevant in today's world, we must be nimble and adapt to change and evolution.

The Assistant Manager plays a key role in achieving these standards, they lead by example, embrace our entrepreneurial spirit and inspire their teams through their passion and belief in our brands.
